

Pizza Power Prize List

**Buy a Gino's East pizza certificate for \$11.
You'll save 20% off the retail price and WPD gets \$4.50**

Wheaton Park District Youth Baseball/Softball Program is selling Gino's East pizza certificates good for a 9" deep dish pizza with one topping or a 12" thin crust with one topping for only \$11. The retail value of the certificate is \$13.60 so your friends and neighbors can save \$2.60 on their pizza purchase at Gino's. The certificates can be used for take-out, dine-in, frozen pizzas, or simply applied against the value of your bill at any Gino's Pizza.

Registration fees do not cover all of the expenses associated with running the Wheaton Park District baseball/softball program. To keep program costs down, we ask that **each family buy 1 and sell 1 certificate**. Funds will be collected on Picture Day, April 16, 2011 in the Kale gym and certificates and prizes will be handed out the same day (except for the grand prize drawing).
