Please note that by filling out this form, it does not guarantee you a spot in the WSGBL for the 2016/2017 season. By filling out this form, this lets us know that you are interested in joining this league for the 2016/2017 season.

Order of Acceptance into the WSGBL:

Park District/ High School Feeder basketball teams get first priority in making it into this league. Towns that participated in this league last year will get next priority. Teams that were competitively better than the rest of the teams in a division from the previous season may be required at discretion of the League Coordinator to go up to the next division. Then spots will be filled with teams with consistent team ratings and are acceptable to other teams in regard to demographics as to who makes it in the league. **Please note:** The teams that participated last year might not be accepted this year because of the location of your team or your conduct from last season.

If qualified team interest requires us to make multiple divisions, we will take between 6-12 teams in each division. We will only take an even number of teams in a division. The number of teams will be up to each respective league coordinator.

Please pass/forward this email to all of your team managers/ head coaches at all age groups in your organization. If you know other teams in other organizations that would be interested in getting into this league, please also forward this to them.

The team interest form, certificate of insurance and website/ home court form must be completed and turned in by **October 7, 2016** for all levels/ teams to be considered.
